UNIT 3 – SCHOOL AND EDUCATION

TASK 1. Describing pictures.

Page 58.

- 1) In the picture I can see a teacher and a student. They are in the classroom. The student is solving a maths task on the blackboard. The teacher is checking the result.
- 2) In the picture I can see students in the science lab probably. They are doing scientific experiments. I think that they are having a good time.
- 3) In the picture I can see students, who are writing something in their notebooks. Probably they are taking part in a lecture. They are in the room.
